

Parent-Child Activity

Activity 3: Chit Chat Time

Activity 3: Chit Chat Time

Objective:

- 1) This activity help facilitate a conversation parents can have with their children.
- 2) The questions range from topics that are silly, serious, imaginative and thoughtful.
- 3) These questions attempts to build up in-depth communications that allows everyone in the family to explore emotions and different points of views. This could provide parents an insight into their child's thoughts, imagination, feelings, and world view.
- 4) Parents may want to consider answering questions first to model a representation of how they can express their own perspectives, feelings and creativity.
